

What are **YOU** doing with Your Yard Waste?

Call Compost Connection 816-761-8300

Compost Connection has been serving the metropolitan area since 1992. Our year round curbside yard waste service is for grass clippings, small bundles of brush and leaves. All products collected are recycled at licensed compost facilities. All programs are collected on the same schedule-weekly from mid March thru mid December, one time in January and one time in February. We do not pickup the weeks of July 4th or the week of Thanksgiving. We work all Monday holidays so your pickup day does not change for holidays. Weeks without collection are noted on the calendar you receive when you sign up for service.

All brush must be bundled in 18" x 36" bundles and tied with rope or twine OR placed in a paper bag. Maximum bags size for grass and leaves is 39 gallons and 50 pounds. Since all materials are taken to a compost facility we do not accept ANY trash or construction materials. Please close all bags and do NOT use plastic or duct tape on paper bags or bundles. Programs are only for ONE HOUSEHOLD—Please do not share your service with neighbors.
