Dear Resident,

The Red Bridge Hills Homeowners Association has paid for your yard waste collection from May 1, 2018 thru April 30, 2019. There will be a collection every Wednesday shown on the attached calendar.

We would like to thank the association for continuing your service with Compost Connection. We have provided collection service for more than 25 years in the metro area and appreciate your business.

This year we have revamped our programs and schedule. Please review the limit and schedule changes.

We will collect one week in January, one week in February and from mid-March thru mid-December. **This year we will run the week of July 4th and Thanksgiving.**

Remember **we do work** on the Memorial Day, Labor Day and **July 4th** holidays and do not run a day late. We only run a day late on Thanksgiving Thursday & Friday.

If you have questions, please contact our office between 8 am and 4 pm or visit our website. Your information is listed under the association name. You can also leave a message or send an email and we will respond asap.

The Association Program this year has changed slightly.

Your limits from April thru October are 5 items in paper bags or 18" x 36" bundles.

Your limit during the scheduled weeks of November thru March is 8 items per pickup.

Terms of Service

We only pickup natural waste including grass clippings, leaves, tree limbs, flowers, garden plants, walnuts, apples, Christmas trees etc. We do not pickup trash, animal or food waste.

Always have your bags at the curb by 7:00 a.m. and easily visible. Bags not at the curb, blocked by cars or bushes cannot be seen by driver and may be missed. Bags must be accessible from the street. Route time may vary based on time of year but all routes are normally completed on your scheduled pickup day. Bags are not intentionally missed, so please contact the office before 9 am the following day to let us know.

Maximum Item Weight—50 Pounds

Pack waste in paper lawn waste bags and roll down the top. Please do not use tape. Brush/branches must be tied into bundles 18"x36" long. Tie securely with rope or twine - not wire. Maximum log size is 6" in diameter. Mark items with thorns for driver safety. Please cut Christmas trees over 6' in length in half and do not use tree bags.

Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood or items that would easily break a paper bag during removal. No plastic bags, cans or barrels please.
