

Pickup Guidelines

PL6

To make sure you receive the best possible services please follow these guidelines.

We only pickup natural waste including grass, leaves, tree limbs, flowers, garden plants, walnuts, apples, Christmas trees etc. We cannot pickup any trash or construction materials. If bags contain trash, multiple bags or foreign material they will be left at the curb. We do not collect animal waste.

Always have your bags at the curb by 7:00 a.m. Bags not at the curb, behind cars, bushes etc. will be left. Bags must be accessible directly from the street. Bags are not intentionally missed, so please contact the office by noon the following day to be considered as a miss.

Maximum item weight is 50 pounds. All bags must be securely closed.

Brush/branches must be tied into bundles 18"x36" long. Tie securely with rope or twine - not wire. Maximum log size is 6" in diameter. Mark items with thorns for driver safety. Christmas Trees are the only items that do not require bundling. Please cut Christmas trees over 6' in length in half. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood or items that would easily break a paper bag during removal
