

Fairwood Homes Association

Yard Waste 2020 Schedule & Guidelines

The Fairwood Homes Association has purchased a yard waste pickup service on the following dates for all residents. Dates and packaging guidelines are listed below. **Pick ups are limited to (20) paper bags or bundles per pick up.** Be sure to have all bags to the curb by 7:00 a.m. on these scheduled dates. Compost Connection is also offering a discount on their regular programs for those of you that would like weekly service. Please see our website for additional information. You may contact Compost Connection at 816-761-8300 or via email if you have additional questions regarding your collection.

Association Collection will be made on these MONDAY dates

March 9, 2020
NO APRIL PICK UP
May 11, 2020
June 15, 2020
July 13, 2020

August 10, 2020
September 14, 2020
October 12, 2020
November 9, 2020
December 14, 2020

Please have your paper bags or 18" x 36" bundles out by 7:00 am.

All items must be packaged in **paper lawn waste bags** or tied into 18" x 36" bundles. **Each pick up is limited to (20) items (bags or bundles).** Route Service begins at 7:00 a.m. Please make sure all items are easily accessible from the street and not blocked by cars, garbage cans.

We only pickup natural yard waste including grass, leaves, tree limbs (up to 6" diameter), flower or garden plants (without their pots), walnuts, apples, Christmas trees (6" or less), etc. All materials collected are taken to a licensed compost facility. This recycling facility does not allow for ANY trash, landscape, or construction materials. If bags contain trash or foreign material they will have to be left at the curb. Any plastic inside your bag will be considered trash and not picked up. We do NOT collect animal waste or animal carcasses. Please tie brush securely with rope or twine – not wire. Mark bundles of thorns for the driver's safety. Christmas Trees are the only items that do not require bagging or bundling. We will accept Christmas trees up to 6" in length, if larger please cut in half.

Maximum item weight is 50 pounds. Do not use plastic tape on paper bags since it is not biodegradable. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood, or items that would easily break a bag during removal. We ask you to not use cans for your waste. Watch placement of your paper bags to avoid sitting in water at the curb. If you are interested in year-round service to compliment your association collection dates, please contact the office. We offer a special \$99 program to all Fairwood Homes Association residents that would like year-round service.

Thank you for your business and compliance with our guidelines.
