

ONE TIME PICK UP

Don't Miss Out on Your Brush and Limb Pick Up

We offer one-time pickups for those of you that do not need a weekly collection service but have completed a project and need to dispose of your bags.

All of our regular pickup guidelines apply to one-time pickups. All items must be packaged in a paper bag or bundle. Paper lawn bags should be folded down at the top. Bags are available at your local hardware store. Brush is bundled in bundles 18" x 36" and tied with rope or twine. Your bags will be collected during our normal route for your area. We have a minimum pickup charge of \$25. There will be a \$1.50 per item additional charge. For Example, if you have 20 paper bags your cost would be \$55.

Please contact us at 816-761-8300 or via email with your total number of items to be collected and to confirm your pickup day and cost for pickup. You can mail in your check, call with your credit card or complete your transaction online through our eCommerce Shop section.
