Pickup Guidelines

To make sure you receive the best possible curbside yard disposal service, please take a moment to review our guidelines:

- 1** **How to Bag Items:** Please use only paper lawn waste bags or 18"x36" bundles for each item.
- 2** **What We Take:** Natural stuff – grass, leaves, tree limbs, garden debris.
- 3** **Keep it Clean:** No plastic bags, trash, large logs, or trees, please.
- 4** **Be On Time:** Place your waste at the curb by 7:00 a.m.
- 5** **Keep it Light:** Max weight is 50 pounds per bag or bundle.
- 6** **Got Extra Items?** Grab '[over limit](#)' stickers from our website or via phone. \$20 gets you 10 stickers, and they're good forever (unless you stop service).
- 7** **Christmas Trees:** No need to bundle. But do slice them in half if they're over 6 feet tall.
- 8** **One Home, One Plan:** Sharing's not caring here – service is for your home only.
