

Verona Hills Homes Association Yard Waste 2025 Schedule & Guidelines

The Verona Hills Homes Association has arranged for a yard waste collection on the following dates for all residents. Packaging guidelines are listed below. **Pick-ups are limited to (20) paper bags or bundles per residence.** Be sure to have all bags or bundles at the curb in the driveway by 7:00 a.m. on these scheduled dates. Compost Connection is also offering a discount on their regular programs for those of you that would like weekly service. Please contact Compost Connection on 816-761-8300 or via email if you have additional questions.

Association Collection will be made on these FRIDAY dates:

January 17th, 2025
February 14th, 2025
March 14th, 2025
April – KCMO City Collection
May 16th, 2025
June 13th, 2025

July 18th, 2025
August 15th, 2025
September 19th, 2025
October- KCMO City Collection
November – KCMO City Collection
December 19th, 2025

Please have your paper bags or 18" x 36" bundles out by 7:00 am. at the curb in driveway

All items must be packaged in **paper lawn waste bags** or tied into 18" x 36" bundles. **Each pick up is limited to (20) items (bags or bundles).** Route Service begins at 7:00 a.m. Please make sure all items are easily accessible from the street and not blocked by vehicles, trees, shrubbery, garbage cans, etc.

We only pick up natural yard waste including grass, leaves, tree limbs (up to 6" diameter), flower or garden plants (without their pots), walnuts, apples, Christmas trees (6" or less), etc. All materials collected are taken to a licensed compost facility. This recycling facility does not allow for ANY trash, landscape, or construction materials. If bags contain trash or foreign material, they will have to be left at the curb. Any plastic inside your bag will be considered trash and not picked up. We do NOT collect animal waste or animal carcasses. Please tie brush securely with rope or twine – not wire. Mark bundles of thorns for the driver's safety. Christmas Trees are the only items that do not require bagging or bundling. We will accept Christmas trees up to 6" in length, if larger than 6 feet, please cut them in half.

The maximum weight is 50 pounds per item. Do not use plastic tape on paper bags since it is not biodegradable. Small cardboard boxes may be used provided they are no larger than the size and weight limits. We suggest boxes for fruits, small brush, wood, or items that would easily break a bag during removal. We ask you not to use cans for your waste. Watch the placement of your paper bags to avoid sitting in water at the curb. Wet &/or deteriorating bags may need to be re-bagged.

If you are interested in year-round service to complement your association collection dates, please contact the office.
